Dear Dyan Agustin,

Thank you very much for submitting your manuscript to HRPUB.

In order to expedite the publication process, your manuscript entitled "Changes in the Intensity of Flat Communal Spaces in the New Normal Era of Pandemic COVID-19 (Case study of Penjaringan Sari Surabaya Flats)" has been sent out to evaluate.

But some problems need to be addressed.

We would be grateful to you if you could revise your manuscript according to the following comments:

1. The figures in table 1 and table 2 are unclear. Please provide us the figures with high resolution to allow for reading the details of them. And make sure that all lines and lettering within the figures are legible at final size.

2. Figures 4 is unclear. Please provide us the figures with high resolution to allow for reading the details of them. And make sure that all lines and lettering within the figures are legible at final size.

Dear Dyan Agustin,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>).

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

**Note:**

- 1. Before sending back the revised version to us, it should be sent to English experts for checking grammar, typos and syntax errors.**

Dear Dyan Agustin,

Thank you for your interest in publishing your work in HRPUB.  
Herewith attached is another review report. Usually, we invite 2 peer reviewers for one manuscript. This is a review report from another reviewer.  
Compared with the first review report, the overlapped parts can be ignored.  
Please confirm all comments from the two reviewers have been effected in your paper.  
We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter.

Please acknowledge receipt of this email.

Best Regards

**Response to Editors and Reviewers of Civil Engineering and Architecture**

Thank you for your kind review of the manuscript with ID: 14827495 entitled “Changes in the Intensity of Flat Communal Spaces in the New Normal Era of Pandemic COVID-19 (Case study of Penjaringan Sari Surabaya Flats)” authored by Dyan Agustin, Niniek Anggriani, Sherly de Yong, Ardian Jaya Prasetya, Farida Pulansari. We have made all the revisions according to the referee’s comments. All the changes made in the manuscript were highlighted in blue. We also have followed all comments from the Editor regarding the grammar checking, typo and syntax error. We also have checked the similarity for this manuscript and the result shows 8% similarity. We hope the referees will be satisfied with the responses and the revised manuscript will be accepted for publication.

The reviewer’s comments were most helpful and gave us a better perspective of our work. I hope the revised manuscript is acceptable for publication in Civil Engineering and Architecture. Thank you for your prompt consideration of this manuscript.

Sincerely yours,
