Dear Editor-in-Chief Dr. Siva Kumar Sivanesan,

Here I submit our original research manuscript entitled "Effect of Flow Rate and Recirculation on The Floatation Process in Removing Fat, Oil, Grease and Solid" for possible publication in your journal *Journal of Engineering Science and Technology*.

We confirm that either the manuscript or any parts of its content are not currently under consideration or published in another journal. We also declare that there is no conflict of interest between the authors and institute where the work has been carried out. Any kind of assistance which you can render during the reviewing process would be greatly appreciated.

Sincerely yours,  
Euis Nurul Hidayah

Dear Author,

Greetings

Kindly, refer to the attached official tax invoice and do update us once you made the payment.

Important note:-

**Please ensure that the net amount we receive must be US\$318 (US Dollars) or equivalent to MYR1340 (Malaysian Ringgits) regardless of the foreign exchange rate and money transfer charges**

Also, please take note of the following:

- The payment is due, as stated in the attached invoice.
- The journal reserves the right to charge interest on overdue accounts.
- Any discrepancies, please notify within seven days; otherwise, entries shall be treated as correct.
- The only payment method is via Telegraphic Transfer (outside Malaysia) or Online Transfer (inside Malaysia).
- The banking details are provided in the attached invoice.
- **The journal will not accept any bank charges associated with the transfer of money or currency exchange charges. Authors should bear all these charges.**

Thank you.

Best Regards

Dear Author

Thank you for your email inquiring about the review progress of your paper.

For your paper, in fact, we have so far no review report(s). We cannot decide at the moment to accept the paper, because we are waiting for other reviewers to submit their reports. Those reviewers, unfortunately, some did not reply to us yet and some requested an additional month to complete the review.

This is the current status of your paper review.

Please let us know your decision whether you want us to proceed with the review process or you may want to withdraw your paper.

We apologize for the inconvenience caused and we hope to hear from you soon.
