Dear Editor of International Journal of Science, Technology and Society (IJSTS),

I would like to inform that i send my manuscript to be published in IJSTS.

I attached by using Google Drive.

I hope you can open my file.

 [Euis Nurul Hidayah-Hydrodynamic model of sedimentation...](#)

This is my identity as author.

Name : Euis Nurul Hidayah

Address : Department of Environmental Engineering, Raya Rungkut Madya, Gunung Anyar, Surabaya, Indonesia

Title :

Hydrodynamic model of sedimentation and disinfection to predict water quality in water treatment plant

Please for considering my manuscript and inform me soon.

Thank you very much.

Regards,

Euis
