

Author's Statement

I submitted the article to the journal of IJEISE and consider to publish it in that journal, my detail as follow :

Name of corresponding author : Nur Aini Fauziyah

Institution : UPN Veteran Jawa Timur

Address : Gunung anyar, Rungkut, Surabaya

E-mail : nur.aini.fisika@upnjatim.ac.id

Article title : **A brief review of C-Dots preparation using top-down and bottom-up approaches.**

Also, I declare that:

1. The article is our original work that has never been published in any scientific journal.
2. The entire contents of the article are true of the author's work and the truth is the responsibility of the author(s).
3. The author has tested the similarity and the similarity (references not included) is not more than 30%.
4. If there are problems related to publication ethics, such as (and not limited to) multiple submissions, invalid data, authorship, then it is the author's responsibility to resolve them.

I convey this statement truthfully, and if in the future problems arise over the publication of the article, I am able to bear the consequences.
