

4.2 Saran

Dalam penelitian ini, penulis telah menjelaskan bagaimana peran Kongres AS dalam menjadi salah satu pihak penentu apakah kebijakan terkait dukungan terhadap Arab Saudi dan koalisinya dalam bentuk penjualan alutsista dan *aerial refueling* bisa dilanjutkan. Selama rentang tahun 2015 sampai dengan 2019, sebagian dari anggota Kongres AS menunjukkan kekhawatiran terkait kelanjutan dukungan ini, mengingat munculnya kasus-kasus pelanggaran HAM yang disebabkan oleh intervensi militer Arab Saudi dan koalisinya terhadap masyarakat Yaman. Hal ini dapat terlihat dari munculnya kubu oposisi dalam badan Kongres AS terkait keberlanjutan dukungan ini.

Penulis menyarankan untuk dapat dilakukan penelitian terkait bagaimana peran Kongres AS dalam menyikapi keberlanjutan dukungan ini di tengah dilema yang dihadapi oleh pemerintah AS antara keberlangsungan agenda geopolitiknya dengan isu-isu kemanusiaan yang muncul.
